

# CUSTOM LOW VOLTAGE LIGHTING

## SERIES **RN12**

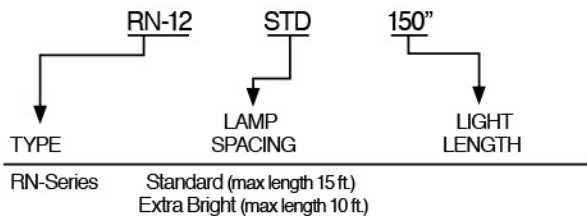

### Trim Line Step Light

- Slim, trim and easy to conceal profile
- Completely dimmable light system
- 12 Volt for economical power use
- 1 watt lamps, 3.8 lumens, 2200K color temperature
- Choice of two lamp spacings:
  - "EB" 1.2" oc (max length 10ft.)
  - "STD" 2." oc (max length 15ft.)
- Easy to replace lamps (included) for years of service
  - 10,000 hour average lifetime
- Custom lengths manufactured to the nearest 1/4 inch
- Housing is white extruded UV stabilized plastic
- Can be mounted with mounting clips (included) or silicone adhesive
- UL 94-VO flammability rated
- Lead wires are 18", unless ordered longer

RN 12 Trim Line is our smallest profile fixture. The little package provides an abundance of rich light in manageable form. These characteristics make the RN 12 an excellent choice as a concealed light source for any bookcase, fixture/display or cabinet application.
